

Two Free Months Every Year!

Act Now – this offer expires August 31, 2026

Get two free months of Enterprise Voice for every year of your initial service term.

How it works:

Sign a new Enterprise Voice service agreement on a 36- or 60-month term to qualify. Available for school districts, hospitals and enterprises.

Two months of free service are credited following installation and repeat each 12-month period of your Initial Service Term.

36-month or 60-month term required

Why Enterprise Voice from Lightpath?

- Highly flexible – minutes of use or concurrent call plan
- Works with your existing PBX, on premise or in the cloud
- Multiple handoff options – Business Lines, PRI and SIP Trunks available
- Unsurpassed reliability and valuable security

* Subject to additional terms and conditions detailed in your Service Order. Available for new Enterprise Voice service agreements only.
